The shuttle starts at 4:05 AM and runs every 20 minutes. Once the guest arrives to the airport and have retrieved their luggage, they can call the hotel at 401-732-6000, and ask to be picked up. Then they will be asked if they have their luggage and once they do, they will be told to go outside and go to the second curb for pick up. If they need shuttle service back to the airport I recommend them signing up for the shuttle at the front desk. There may need to be two shuttles for busy departure times.
